LA COUPE!

A yellow trophy cup with a green base, circled in white with a white arrow pointing to it from the left.

+ INVITÉS SURPRISES

On November 13th, Belgian comedians Pablo Andres & Kody will present an exclusive show at the Cirque Royal.

And if the event falls just one week before the launch of the World Cup in Qatar, it is not due to chance...

The objective will be to celebrate, with many surprise guests, the beginning of the event but above all, to support the Red Devils!

So, one word of order: WE WILL TAKE THE CUP!
