

LE 6/9 SUR NRJ

Offer 2024

DESCRIPTION

Wendy, Jer'M and Tanguy !

They wake you up with the best hits and in a good mood around appointments that have become cult, including "Le Jeu du Réveil", "Les Sondages de Tanguy", "Le 60 Secondes Chrono" or "L'Appel de Jer'M".

The listeners will also discover two new sequences with "The 3 answers game" (3 Questions, 3 answers in less than 5 seconds) and "The Automatic Call" (Siri calls the listeners and asks them improbable questions).

And like last year, you will be able to admire Wendy, Jer'M and Tanguy on your TV screen, live in your living room, every morning of the week between 6 and 9 am on AB3.
